# Ya Sin

Muhammad even confessed to the crime: **"Allah's Messenger came out and took a handful of dust and said, 'Yes, I do say that; and you are one of them.' Allah took away their sight so that they could not see him. [Just as we have been blinded today.] And Muhammad began to sprinkle the dust [of ignorance and complacency] on their heads while reciting the following verses: 'Ya Sin. I call to witness the Qur'an. You are one sent on a straight path...The sentence is justified against most of them, for they do not believe. We will certainly put iron collars on their necks which will come up to their chins so that they will not be able to raise their heads. And We have set a barrier before them, and cover them so that they will not be able to see.'"** [Qur'an 36:1] Once again, the Islamic god's timing was off but his heart was in the right place. Q36 was handed down thirty surahs and three years before the great escape.

"By the time he had finished reciting these verses, he had put dust on the heads of every one of them," and he saved his son, right? No. **"...after which he went to where he wished to go."**

The sun not only talks, it bows down, worships Allah, and rises in the west. *Bukhari: V4B54N421* **"I walked hand in hand with the Prophet when the sun was about to set. We did not stop looking at it. The Prophet asked, 'Do you know where the sun goes at sunset.' I replied, 'Allah and His Apostle know better.' He said, 'It travels until it falls down and prostrates Itself underneath the Throne. The angels who are in charge of the sun prostrate themselves, also. The sun asks permission to rise again. It is permitted. Then it will prostrate itself again but this prostration will not be accepted. The sun then says, 'My Lord, where do You command me to rise, from where I set or from where I rose?'"** Allah will order the sun to return whence it has come and so the sun will rise in the west. And that is the interpretation of the statement of Allah in the Qur'an: **"And the sun runs its fixed course for a term (decreed). That is the Decree of (Allah) the All-Knowing.""** [Qur'an 36:38]

The Qur'an's 36th surah confirms this foolishness. *Qur'an 36:37* **"A Sign for them is the Night. We withdraw from the Day, and behold they are plunged into darkness. The sun keeps revolving in its orbit at the dispensation of the All-Knowing. And the Moon, We have measured for her mansions till she returns like dried date stalks. It is not permitted for the Sun to overtake the Moon, nor can the Night outstrip the Day."** The sun and day represent Yahweh; the moon and night symbolize Satan. The spirit of Islam has put us on notice. In his world, in his religion, he's in charge. **"Each (just) swims along, floating in (its own) orbit as a Sign as in a race. And we made similar vessels [chariots] for them to ride. But we could have drowned them if we pleased."** The revealing spirit of Islam couldn't have been more foolish if he tried.
