The Exile

Mein Kampf: 64 "So great was the fear [of terror] that people dreaded war. So the doctrine can ratchet up demands higher and higher. It's a devilish attempt to weaken or even paralyze the victim's holiest claims. Considering the limited thinking power of the masses, the success of this strategy is not surprising." This is precisely what we have been reading about. The first Muslims used terror to paralyze everyone within their reach. *Qur'an 59:2* **"It was Allah who drove the People from their homes and into exile. They refused to believe. You did not think that they would go away. And they imagined that their strongholds would protect them. But Allah came at them from where they did not suspect, and terrorized them. Their homes were destroyed. So learn a lesson, men who have eyes. This is My warning."**

Before we leave this troubled time, let's return to the surah that "approved" exiling Jews. In this passage, Allah takes "credit" for Muhammad's actions - something that is both bizarre and sinister. *Qur'an 59:2* **"It was Allah who drove the (Jewish) People from their [Yathrib] homes and into exile. They refused to believe. You did not think that they would go away. And they imagined that their strongholds would protect them against Allah. But Allah's Torment came at them from where they did not suspect. He terrorized them. Their homes were destroyed. So learn a lesson, men who have eyes. This is My warning. Had I not decreed the expulsion of the Jews, banishing them into the desert, I would have punished them in this world, and in the next they shall taste the punishment of Hell Fire."** *Qur'an 59:4* **"That is because they resisted Allah and His Messenger. If any one resists Allah, verily Allah is severe in Punishment, stern in reprisal."** Their only crime was "resisting Islam." By that logic all non-Muslims are fair game.

The obviously powerless, and thus delusional Islamic spirit said: *Qur'an 59:6* **"What Allah gave as booty to His Messenger, He has taken away from the Jews. For this you made no raid. Allah gives His Messenger Lordship over whom He will. Whatever booty Allah has given to Muhammad and taken away from the (Jewish) people of the townships, belongs to Allah and to His Apostle.... So take what the Messenger assigns to you, and deny yourselves that which he withholds. And fear Allah, for He is severe in Punishment."**

This all-in-one Islamic verse is the reason the "religion" cannot be fixed. It features: racism, violent hostility, banishment, destruction, thievery, wrath, terror, forced exile, severe punishment, and threats for those who resist. A doctrine this perverse will continue to fester and grow. It will infect men's minds and souls until the whole world is consumed in war.

I realize that Muhammad's demonic nature has become oppressive. So I'm going to switch gears and see what Allah has to say for himself. Five

relatively short surahs were revealed during this hellish time. Let's begin by reviewing the passages I previously omitted from **"The Confrontation."**

By way of introduction, in the first six verses Allah confessed to being a terrorist and pirate. He claimed responsibility for exiling the Jews, and he gave his apostle the booty. Then in the 8th verse, Allah played favorites. The Emigrants were preferred over the Ansar. Having been Muslims longer, they were better terrorists. *Qur'an 59:8* **"The spoils are for the Emigrants who were expelled from their homes and from their belongings while seeking the bounty of Allah, and aiding His Messenger: such are the sincere ones. They are loyal."** Mercenaries are motivated by money. When it comes to killers, you get what you pay for. Whether in business or piracy, war or terror the principle holds true today. In this light, suicide bombings are not sacrifices, simply selfish acts. The bomber is expecting dual rewards: his family will be enriched monetarily and he will be given a lifetime pass into Allah's brothel. The first Muslim militants didn't rob Jews and Arabs for Islam; they did it for the money.

When you come to understand the nature of the relationship between warlord and mercenary, all of Islam becomes clear. Muhammad was ensnared by the monster he had created. He lured disgruntled and covetous thugs into his lair by promising booty. Terror became a job - one that required ever more revenue. Mercenaries sell their souls for money. It's as simple as that. The most loyal killers are the highest paid and the most corrupt. But when revenues run dry, as they did when the militants missed the merchants at Badr and were forced to fight the warlord became desperate. A poor tyrant is a dead one. So the Jews were robbed in lieu of the caravan. And the most loyal mercenaries received the lion's share.

Hitler played the same game, as do all dictators. The only difference is that with early Islam, the justification was attributed to God. And that is what makes Islam more lethal than any other doctrine.

Reminding us that a peaceful Muslim is a hypocrite, Allah says that they are no better than the Jews: *Qur'an 59:11* **"Have you not observed the Hypocrites saying to their unbelieving brethren among the People of the Book, 'If you are expelled [from your homes by the Muslims], we will go with you? We will never listen to anyone who acts to harm you; and if you are attacked we will help you.' But Allah is witness that they are liars. If the Jews are expelled, never will the Hypocrites go with them; if they are attacked, they will not help them defend themselves. In truth you [good jihadist Muslims] are more fearful and awful (than they) because they are afraid of you. This is a result of the terror (sent) by Allah. They are men devoid of understanding."** Good Muslims are to be feared. They are awful terrorists - their scriptures say so.

Occasionally, I find myself checking the cover of the book just to make sure I haven't replaced the Qur'an with *Mein Kampf*. *Qur'an 59:14* **"The Jews will not unite and fight against you except from behind walls. They hate themselves. You would think they were united, but their hearts are divided. That is because these [Jews] are a people devoid of sense. Like those who recently preceded them [the Meccans at Badr], they [the Jews who were just sent into the desert to die] have tasted the evil result of their conduct. And (in the Hereafter there is) for them a grievous punishment."** Replace ghettos with townships, Poles for Meccans, and the evil result of exile with a concentration camp

and this could easily have been one of Hitler's rousing recitals. Makes you wonder if they had the same speechwriter.

This next verse perplexed me until I came to know the nature of the spirit named "Lucifer" and his derogatory title "Satan." *Qur'an 59:16* **"They [the Jews] are like Satan when he tells man, 'Not to believe.' When (man) denies, Satan says, 'I have nothing to do with you. I fear Allah, the Lord of men and jinn!'"** While it's fascinating that Satan "fears Allah" and sees him as the "Lord," this isn't the most important insight. *Qur'an 59:17* **"Both [Jews and Satan] will go into the Fire of Hell, dwelling therein forever. Such is the reward of the Zalimun (disbelievers and polytheists)."** At first blush, this is a house divided. We have seen time and again that the only spirit dark enough to have inspired Islam is Lucifer. But this verse condemns Satan to hell. How is that possible if they are one in the same?

For the answer to that question, let's turn to the book that introduced the world to this demonic spirit. The name Lucifer is only mentioned once in the entire Bible. In the midst of his prophecy on World War III - the all Islamic war to be launched against Israel in the last days - Isaiah says this about Islam and its dark spirit: "The rule of the oppressor [nagras: one who uses tyranny to harass, tax, and oppress, i.e., Islam] will come to an end. Those who smote [nakah: to strike, exile, murder, punish, or slaughter] the Jews in rage and anger with unceasing blows, and in fury subdued [terrorized] the nations with relentless aggression, will be prosecuted. Hell itself will be moved. The pompous gloating leaders, arrogantly swelling with pride and boastful speech will be brought from their graves like maggots spread out. How you have fallen, cast out of heaven, O Lucifer, the one with the brightness of the morning star. You have been cast down to the earth and diminished. You used prostration to weaken the Gentile nations. You boasted 'I will ascend to heaven; I will exalt my throne above God. I will abide in the meeting place on the most sacred Mount [Moriah - home of Lucifer's most flamboyant shrine: the Dome of the Rock]. You said, 'I will make myself like the Most High.' But you are brought down to the grave, to the depths of the pit.... The offspring of the wicked will not rise up to inherit the land [Israel] or rule over the earth." (Isaiah 14 amplified from the original Hebrew.)

The prophet Isaiah connected many of the dots for us. He reveals that Lucifer was a fallen angel and that pride led to his ruin. He is destructive, leading men to their doom. And he wants to be worshiped in place of Yahweh. Further, he connects Lucifer to Islam by saying that he is the inspiration of those who oppress the Jews and covet their land. The fact he uses "prostration" to weaken the Gentile nations is quite a clue.

"Satan" is Lucifer's title. It means "The Adversary." John, in Revelation, writes: "I saw an angel coming down from heaven, having the key to the bottomless pit and a great chain in his hand. He laid hold of the dragon, that old serpent, which is the Devil, or Satan. He bound him for a thousand years. He shut him up so that he could no longer deceive the nations." (Revelation 20) Satan is a derogatory title for Lucifer - a spirit who deceives and leads men astray. Lucifer, of course, detests "The Adversary" title, as he wants to be God, not God's opponent. Adverse means unfavorable, unpleasant, poor, or undesirable. It's not the kind of image a spirit who wants to be worshiped would be fond of having hung around his neck.

Understanding Lucifer and his disdain for the Adversary, or Satanic title,

is central to understanding the spirit that underlies Islam, the spirit that enticed and inspired Muhammad to such egregious behavior. Paul, speaking to the Corinthians of the false doctrine and prophet to come said: "I am concerned that just as Eve was deceived and beguiled by the serpent's cunning, your minds may someday be corrupted. For if someone comes and preaches another Yahshua who is different, if you receive another spirit, or hear a different Gospel, you may be susceptible. I may not possess eloquent speech or be an Apostle who requires your obedience, but I know what is true and have manifest it to you.... The truth of Christ is in me. And I will continue doing this in order to cut the ground from under those who would seize the opportunity to boast about. For such men are false prophets, deceitful teachers, masquerading as messengers of God. And no wonder, for Satan transfigures and disguises himself into an angel of light [i.e., Lucifer pretends to be Gabriel]." (2 Corinthians 11 amplified from the original Greek.)

Paul is saying that Lucifer will transform himself into the image of an angel and deceive men using a false prophet. The messenger will be boastful, yet speak eloquently; he will be deceitful, yet require obedience. He will come with a new Gospel. He is speaking of Muhammad and his Qur'an.

By putting these things together we discover that Lucifer, as presented in the Bible, is a perfect match for Allah, the demented and deceitful spirit of the Qur'an. And we know that Lucifer hates the Satanic title. So now, the only pieces of the puzzle that remain are why Lucifer chose to disguise himself as Gabriel and why he chose Muhammad to be his prophet.

The Hebrew word for "angel" means "messenger." And the angel named Gabriel was only called to deliver three messages. The first is to Daniel. He told the prophet the exact day the Messiah would enter Jerusalem, five hundred years in advance of the occasion. He spoke of the destruction of the Temple, which followed Christ's crucifixion and resurrection. Then Gabriel told Daniel that Satan would cause great devastation that he would defile Mount Moriah in the last days. The second and then final time we hear from Gabriel is in the second chapter of the Gospel of Luke. Gabriel relays a message heralding the birth of John the Baptist - the one who announced the Messiah's arrival. And he told Mary she would give birth to Yahshua, the Son of Yahweh. In other words, Gabriel had only one job: announce the arrival of the Messiah. Lucifer chose to impersonate him because his Muhammad was the counterfeit Messiah. So now we know who the players are and why they are acting so devilishly.

Returning to the Qur'an we learn that even the mountains fear Allah. *Qur'an 59:21* **"Had We sent down this Qur'an on a mountain, verily, you would have seen it humble itself, turn desolate and cleave asunder, splitting in two for fear of Allah. Such are these parables which We propound to men, that they may reflect."** Sounds like Yahweh on Sinai; so Allah whines, "Me too!"

The "Confrontation" ends with a self-indulgent love fest. Since the Qur'an is supposed to be Allah speaking, he sure seems to have a lofty view of himself. It's no wonder pride was Lucifer's undoing. *Qur'an 59:22* **"Allah is He, no other Ilah may be worshiped; Who knows both secret and open; He, Most Gracious, Most Merciful. He is Allah, Whom there is no other Ilah; the Sovereign, the Holy One, the Source of Security, the Guardian of Faith, the Majestic, the Irresistible, the Superb, the Compeller: Glory to Allah! He is Allah, the Creator, the Evolver, the**

Bestower of Forms (or Colors). To Him belong the Best Names: whatever is in the heavens and on earth declares His Praises and Glory: and He is the Mighty, the Wise." Pretty flowery language for a demon impersonating a rock idol. And it's a wholly deceptive, even beguiling, description of the author of the opening salvo of this very surah. As I recall, Allah confessed to being a racist, terrorist thief. In fact, he was proud of it.

Ishaq:246 **"The surah of the Hypocrites came down because some men sent secret messages to the Nadir Jews when the Apostle besieged them. So Allah sent down, "Have you not considered the Hypocrites who say to their brethren, the People of the Book [Jews], 'We shall never obey anyone against you. If you are attacked [by the Muslims] and driven out we will help you. Allah bears witness that they are liars. Like Satan when he says to men, "Disbelieve.'" [Qur'an 59:11]** This surah goes on to say: *Qur'an 59:14* **"They are a divided people devoid of sense. There is a grievous punishment awaiting them. Satan tells them not to believe so both of them will end up in Hell."** Other Hadith say this surah was handed down regarding the expulsion of the Qaynuqa Jews, and the confiscation of their property, rather than the Nadir.

The 59th surah, called **"Confrontation"**, was one of many anti-Semitic rants. Highlights include: *Qur'an 59:2* **"It was He [Allah] who drove the [Jewish] People of the Book from their [Medina] homes and into exile. They refused to believe. You did not think that they would go away. And they imagined that their settlement would protect them against Allah. But Allah's [actually Muhammad's]. (torment) came at them from where they did not suspect and terrorized them. Their homes were destroyed. So learn a lesson O men who have eyes. This is My warning. Had Allah not decreed the expulsion of the Jews, banishing them into the desert, He would certainly have punished them in this world, and in the next they shall taste the torment of Hell Fire."**

Why, you may wonder, were the Jews terrorized? Why were their homes stolen and destroyed? Why were Jewish families pushed into the desert to die? Why does Allah want to abuse them? *Qur'an 59:4* **"That is because they resisted Allah and opposed His Messenger. If any one resists Allah, verily Allah is severe in Punishment, stern in reprisal."** *Qur'an 59:6* **"What Allah gave as booty to His Messenger He has taken away from them. For this you made no raid. Allah gives His Messenger Lordship over whomsoever He wills. Allah is Able to do all things. Whatever booty Allah has given to His Messenger and taken away from the [Jewish] people of the townships, belongs to Allah and to His Messenger.... So take what the Messenger assigns to you, and deny yourselves that which he withholds from you. Fear Allah; Allah is Severe in Punishment."** Someone may have spoken more demented words than these but surely none ever attributed them to "God." To call Muhammad an anti-Semitic psychopath is too kind.

Three of Muhammad's greatest flaws were included in his racist rant. He was greedy. He wanted the entire spoil for himself. Muhammad had his god say that the Muslim militants who besieged the Jewish settlement weren't entitled to anything. A blockade, according to the dark spirit, was less

deserving of booty than a terrorist raid. Muhammad was abusive. When the Jews wouldn't submit to his authority, and crown him Messiah, he starved a thousand families into submission. He stole their homes, property, businesses, and money. He threw them into the desert to die. Muhammad was also delusional. Having had his mercenaries blockade the township, the prophet said that it was really his god who had terrorized them. Then, he assuaged his guilt by saying that had he not cast the Jews out and stolen their homes his spirit buddy would have dealt them an even more vicious blow.

Tabari VII:158/Ishaq:437 **"After telling his Companions about the treachery which the Jews had meditated against him, the Apostle ordered them to prepare for war and to march against them."** To "meditate" is to quietly engage in thought or contemplation. If this is true, the Jews said nothing and did nothing. If it's not true, Islam's prophet is a liar. Either way, Muhammad was totally unjustified in ordering his militants to attack. The siege of the Nadir was an act of terrorism and piracy, proving that the sole founder of Islam was a vicious criminal.

Tabari VII:158/Ishaq:437 **"Muhammad personally led his men against the Nadir and halted in their quarter. The Jews took refuge against him in their homes, so he ordered their date palms to be cut down and burnt. They shouted, 'Muhammad, you have forbidden wonton destruction of property and have blamed those who perpetrated it. Why are you doing this?'"** Muhammad didn't answer the question directly. He delegated the excuse to his god. A situational scripture authorizing destruction was "handed down." *Qur'an 59:5* **"The palm trees you cut down or left standing intact was by Allah's dispensation so that He might disgrace the transgressors."** I'll let you decide if the creator of the universe etched this line on an eternal tablet before the world was created or if Muhammad just made it up. But you should know that the 59th surah was revealed following the banishment of the Qaynuqa Jews the prior year, and yet the verse's authorization was recited in past tense. Also, the obliteration of the date farm "disgraced the transgressors" only in the sense that Muhammad was the transgressor. Muslims confiscated the groves.

Muhammad's biographer claims Allah revealed these Qur'an verses to his prophet to celebrate the occasion: *Ishaq:438* **"Allah wreaked His vengeance on the Jews and gave His Apostle power over them and control to deal with them as he wished. Allah said, 'I turned out those who disbelieved of the Scripture People from their homes. You did not think that they would go but I came upon them and terrorized them. And in the next world I will torment them again with a painful punishment in Hell. The palm trees you cut down were by Allah's permission; they were uprooted on My order. It was not destruction but it was vengeance from Allah to humble the evildoers. The spoil which Allah gave the Apostle from the Nadir belongs to him.'" Ishaq is suggesting that the 59th surah was handed down regarding the Nadir siege rather than the Qaynuqa raid. But that can't be, since the rest of the surah deals with the defeat at Uhud that prompted the Qaynuqa attack.**
