The Hypocrites

Now that Allah has helped his prophet condemn Jews, it's time to turn on the "bad" Muslims - those nasty hypocrites. In a surah named in their honor, we read: *Qur'an 63:1* **"When the Hypocrites come to you they say, 'We bear witness that you are indeed the Messenger of Allah.' Allah knows you are His Messenger, and Allah bears witness the Hypocrites are indeed liars."** Which means they were liars when they: "bore witness that Muhammad was the Messenger of Allah."

Qur'an 63:2 **"They have made their oaths a screen, thus they obstruct (men) from the Path of Allah: truly evil are their deeds. That is because they believed, then they rejected Faith: So a seal was set on their hearts: therefore they understand not."** I'm curious. If Muhammad was so wonderful, how could so many of those who lived in his presence have rejected him and his religion? This avalanche of abandonment was clearly the reason Muhammad had to tell his militants: *Bukhari: V4B52N260* **"If a Muslim discards his faith, kill him."** Islam must be forced on people. No one in their right mind chooses it. And once in, no one leaves this club alive.

Qur'an 63:4 **"When you look at them, their bodies please you; and when they speak, you listen to their words. They are pieces of wood propped up. They think every cry is against them. They are the enemies; so beware of them. The curse of Allah is on them! Allah will destroy them. How are they deluded and perverted?"** Since Allah repeatedly defines "bad" Muslim hypocrites as those unwilling to leave their homes to fight, peaceful Muslims ought to know that their god has "cursed" them, that they are his "enemy," and that he wants to "destroy" them because they're "perverted."

So how does all of this square with predestination? *Qur'an 63:6* **"It is equal to them whether you ask forgiveness or not. Allah will never forgive them. Allah does not forgive the transgressing people."** Then whom, might I ask, does he forgive? Perfect people like Muhammad? Think about the absurdity of this statement. Only transgressors need forgiveness, yet they will receive none. So only those who don't need to be forgiven will be forgiven for what they didn't need to be forgiven for. No one is going to accuse Allah of being smart.

The Qur'an suggests that Muhammad and his Meccan emigrants had overstayed their welcome. *Qur'an 63:7* **"They are the ones who say, 'Spend nothing on those who are with Allah's Messenger so that they will desert him.' But to Allah belong the treasures of the earth; but the Hypocrites understand not. They say, 'If we return to Medina, surely the more honorable (element) will expel the meaner (i.e., Muhammad).' But honor, power and glory belong to Allah and His Messenger."** It's interesting that the first Muslims considered Muhammad "mean." They also recognized that his parasites, or mercenaries, were only hanging around for the money. And why, if the "treasures of the earth" belonged to Allah, did Abu Bakr prowl the streets begging Jews to "give Allah a good loan?"

Since the established families of Yathrib were unwilling to finance the

prophet's piracy, Allah repeatedly ordered Muslims to pay the zakat, a tax of which Muhammad was beneficiary. *Qur'an 63:10* **"Spend out of the substance [booty] which We gave you before death comes and you say, 'My Lord, why didn't You give me respite for a little while? I wish I had given (more).'"** Financing the prophet's terrorist campaigns was now on Allah's list of "good deeds."

The Noble Qur'an footnotes a Bukhari Hadith to explain this verse. **"The Prophet said, 'Everyday two angels come down from heaven. One says, "O Allah, reward every person who spends in Your Cause." The other says, "O Allah, destroy every miser."'"**
