The Merciful

Ar-Rahman was the name of Muhammad's first "god." The 55th surah, named in Ar-Rahman's honor, begins: **"Ar-Rahman bestowed the Qur'an, created man, and taught him to express clearly. The sun and moon revolve to his computation and the grasses and the trees bow to Him in adoration.... He created man."** With multiple gods, Islam became pagan monotheism.

Tabari didn't reference the surah Mas'ud elected to recite. Ishaq did. I was stunned to learn that it was the 55th, **"Ar-Rahman."** The Hadith claims Allah's protection yet Mas'ud was singing Ar-Rahman's praises. It's little wonder the Meccans were up in arms. Muhammad was venerating Allah's House, their Ka'aba, but was claiming that it belonged to a rival moon god.

Ishaq: 141 **"The next day Ibn Mas'ud went to the Ka'aba in the late morning when the Quraysh were gathered in groups. He turned toward them as he recited:"** *Qur'an 55:1* **"Ar-Rahman bestowed the Qur'an. He created man. He has taught man eloquent speech (and intelligence). The sun and moon are made punctual, following courses, they revolve to a computation."** (According to the Islamic god, the sun moves, not the earth.) **"Ar-Rahman created the herbs (or stars) and the trees all of which prostrate themselves."**

Mas'ud proudly proclaimed: *Qur'an 55:14* **"He created man of fermented clay tinkling hard like earthen ware, and created jinn from the white-hot flame of fire. How many favors of your Lord will you both (men and jinn) deny?"** Ar-Rahman, like Allah, made man as one would distill alcohol. *Qur'an 55:19* **"He has set the two seas [not seven] in motion that flow side by side with a barrier between them that they cannot cross. [Wrong again.] How many favors of your lord will you both deny?"** How many lies must the dark spirit of Islam utter before Muslims deny him?

The first Meccan Qur'an recital turned nasty with these words: *Qur'an 55:31* **"Soon We will dispose of you both (men and jinn) by applying Our two armies. How many favors of your Lord will you both deny?"** A second translation reads, **"We shall soon be free to turn on you, O weary caravans."** Muhammad would soon prosper by raiding Meccan caravans. *Qur'an 55:35* **"There will be let loose on you both white-hot flames of fire and smoke that chokes so that you will not be able to defend yourselves. How many favors of your Lord will you both deny?"** Ar-Rahman makes jinn out of the same material he will use to torture men. That means the dark spirit of Islam intends to send his demons after us. And, lest we forget, this spirit considers torture a "favor."

Mas'ud continued to recite the **"Ar-Rahman"** surah to the Meccans: *Qur'an 55:41* **"The sinners will be seized by their forelock and feet. Which of the favors of your Lord will you then deny? This is the Hell the sinners called a lie. They will go round and round between its fierce fires and boiling water. Which of the favors of your Lord will**

you then deny?" Apart from Satan, can you imagine any spirit suggesting that burning and scalding were favors?

Having sickened the Quraysh with demonic torments, Mas'ud teased them with decadence. *Qur'an 55:46* **"For him who lives in terror of his Lord are two Gardens containing delights: shade, two fountains flowing, fruits in pairs. Reclining on carpets lined with silk brocade, fruits hanging low. In them virginal females with averted glances (desiring none but you), undeflowered by men or jinn. Is the reward of goodness aught but goodness?"** Ar-Rahman has just labeled decadence "good," and living in terror is the path to Paradise. *Qur'an 55:62* **"And beside this, there are two other Gardens, rich green in color from plentiful watering. In them will be two springs, gushing forth, and fruits. And beautiful companions, virgins cloistered in pavilions, undefiled by men and jinn, reclining on green cushions and rich mattresses. Which of the favors of you Lord will you both deny?"**

I would have liked to have seen the reaction on the Meccan's faces as they listened to Muhammad's "religious disciple" recite this demonic message. *Ishaq:141/Tabari VI:104* **"The Meccans took notice of Mas'ud. 'What on earth is this son of a slave's mother saying.' Then they said, 'He is reciting some of what Muhammad has prayed.'** [Not recited, prayed. These fantasies represented Muhammad's cravings.] **They rose up and began to hit him in the face.** [So much for Allah's protection.] **He continued to recite as much as Allah willed that he should, and went back to his companions with the marks of their blows on his face. They said, 'This is what we feared would happen to you.'** but he replied, **'The enemies of God [Ar-Rahman?] were never more despicable in my sight than they are now. If you wish, I will do the same thing to them tomorrow.'** They replied, **'No, you have done enough.'"** It's the cause and effect of Islam. The religion causes Muslims to hate anyone who isn't a Muslim. It's a condition that persists to this day.

"Iblis belonged to a tribal group called jinn. They were created from the fire of simoom. All of the angels except this tribal group were created from light. The jinn mentioned in the Qur'an were created from a tongue of white-hot fire blazing on its side. [Qur'an 55:15] The first to dwell on the earth were jinn. They caused corruption on it and shed blood and killed each other. [Since demons are spirits, how could they shed blood and bleed?] Allah sent Iblis with an army of angels to fight against the jinn. Iblis and the angels with him caused a bloodbath, but his success went to his head." Allah made Lucifer a traitor against his own tribe, which is exactly what happened with Muhammad in Mecca.
